

Special Notice Extreme Fire Danger

Fire Restriction Order Now in effect for all lands in this state

Thank you for stopping a moment. Please observe the following fire prevention restrictions during your visit to our state this summer.

Effective immediately fire restrictions covering all state and federal lands within the state have been issued due to extremely hazardous dry fire conditions.

No open fires of any kind

outside a developed recreational site. This includes charcoal barbecues and campfires. You may only use portable stoves or lanterns with liquid petroleum in undeveloped areas.

No fireworks, tracer ammunition or other pyrotechnic devices are allowed on any federal lands.

National Forests, state lands, and public lands need your help. Please, **BE FIRE SAFE** when visiting our wildlands. Help protect your natural resources!
